

Help Pave the Way

Ethelbert B. Crawford Public Library is continuing with phase after phase of developing the outdoor space alongside the library. The first phase included Vera's mosaic Chair and planting in Vera's Story Garden.

The 2nd phase involved making the outside space as welcoming as the indoor space by creating a pleasant plaza with seating.

The 3rd phase included a stage for outdoor events and a public device charging station. Well the stage is up and the charging station is underway! We want this to be a real showstopper for our community and need your help to make that happen. There are ways you can contribute: honor a friend or family member by buying a brick, or one of our upcoming literary quotes for the decorative fence.

MAKE A MEMORY

Go to the library web site, ebcpl.org, to see a virtual video of the planned space and a complete list of available items. Purchase as an individual, a small group, or an organization, or sign up for clean up days, planting days, or weekly watering if that's a better option for you/your organization.

The library has budgeted money, applied for grants, and will continue to look for additional funding sources. You have been unbelievably supportive of the library. We ask for your continued support - Help Pave the Way!

Order Schedule

Spring Orders Due March 27th

Summer Orders Due June 26th

Fall Orders Due Sept. 25th

All orders received after 9/25/2023 will be held until Spring 2024
